## Year4

Year 4 have been very busy this term researching, designing and making pavilions as part of our DT topic. The children worked very well in groups to create their own pavilions, first designing the main structure and then cladding it, based around a chosen theme. The children have been enjoying reading Wild Robot, Iron Man and The Land of Roar. They have really enjoyed learning about the Egyptians and their interesting way of writing. We are looking forward to our new learning in the Spring term.
