10 December 2020

## **Closure of Nursery: Friday 11 December to Friday 18 December (inclusive)**

Dear Parents and Carers

I regret to inform you that Nursery (Ladybirds) will be closed from tomorrow, Friday 11 December until the school closes for Christmas on Friday 18 December. Regrettably, due to the current Covid-19 regulations, the school does not have the necessary staff available to allow the children to attend school between these dates.

This closure has **not** been brought about due to there being a positive case within this year group.

I apologise for the inconvenience this causes and look forward to welcoming your children back to school on Tuesday 5 January.

Yours sincerely

Sophie Charter  
Headteacher
