Dear Parents and Carers,

We are excited to announce that the Reception class will be taking part in the Nuffield Early Language Intervention (NELI). The intervention works by assessing children's oral language skills using LanguageScreen, which is an app based language test. This test helps schools to identify children who may need additional support with their language skills. Children's vocabulary, listening comprehension and sentence repetition skills are assessed using tests and the scores then produce an automated report that contains recommendations for further actions.

The test involves sharing pupil data with LanguageScreen for assessment and research purposes. You have the right to withdraw your child from research involving data from LanguageScreen. For further information please see the following website

https://languagescreen.com/privacy_policy#ABOUT_US_AND_WHAT_WE_DO

If you do not want your child to be involved in NELI then please contact the school office or email Miss Dixon jdixon@abbeywoods.anthemtrust.uk

Miss Dixon
