Year 4 – History

This term in History, we have been learning about the Ancient Egyptians. We have been thinking about the achievements they made and what made them a successful and memorable civilisation. To complete our learning on this topic, we made our own pyramids which outlined what we thought the Ancient Egyptians biggest achievements were. There were lots of answers such as pyramids, mummification, the Book of the Dead, farming, religion and hieroglyphics. The pyramids really showcased all the fantastic learning completed this term!

There is a clear link between attendance and school attainment.

Reduced attendance affects a child's chances of success at school and beyond.

Please help us in ensuring your child comes to school every day.

Holidays should only be taken during the allocated holiday dates.

Gates open at 08:40 and registration for all year groups is at 08:45 each day. Any child late for school will need to enter school via the main office.

P.E Days for each year group are as follows:
