Dear Parents/Carers,

I have been very impressed with the children in our dance club sessions so far and they have thought of some great ideas for a dance we can create together.

I just wanted to inform you about the possibility of the club being able to perform their dance at the **Oxfordshire Dance Festival**, which is held at the **New Theatre in Oxford**. Some of you may have heard from the children that we are preparing for this in dance club, or you may have participated in last year's festival.

The Oxfordshire Dance Festival allows the children to watch several other schools perform their dance as well as the opportunity to perform their own dance and to use the backstage area to prepare.

The show is on **Wednesday 1st March**. We will be arranging a coach for the children to attend a rehearsal and the show on the day. When it has been booked, we will be asking where possible, for a small voluntary contribution to the coach cost.

After the show, we ask that you could please **arrange to pick your child/children up**. The exact timings for the show will be given sooner to the time, but I anticipate it ending at around 18:30-19:00, this depends on how many schools will be attending.

If you would not like your child/children to attend the dance festival or you have any questions or concerns, please do let me know by sending an email to the office or by talking to me at the end of the school day.

Please use this link to purchase tickets for the show at the theatre. You will not need to purchase a ticket for your child/children that will be participating in the show as they already have allocated seating.
