How to look after your pearly whites :

Help your child to look after their teeth by supervising toothbrushing, and reminding them to:

- Brush for two minutes at night before bed, and at one other time of day.
- Use a pea-sized amount of fluoride toothpaste (containing between 1350-1500ppm of fluoride)
- Spit after brushing, but do not rinse.

Tips on keeping warm this winter

TIPS on saving money and staying warm this winter: Heat the human, not the home is the new guide from [Money Saving Expert](#):

DO:

- Consider your mental and physical health before making any changes
- Layer up clothes to keep in the heat - e.g. tights under trousers
- Use heated items to get extra warmth such as hot water bottles & heated gloves
- Eat regularly - especially hot food & drinks such as soup, porridge and tea
- Keep feet warm - thermal socks, slippers, rugs and blankets
- Exercise - walk around the house or go out for a walk, cleaning
- Draught stoppers for your doors

DON'T:

- Turn off your heating completely (damp and frozen pipes can occur).
- Use a chimney or old heater without first having it safety checked.
