

AWA NEWS

Friday 19th May

First we had to learn how to create and edit a Sprite

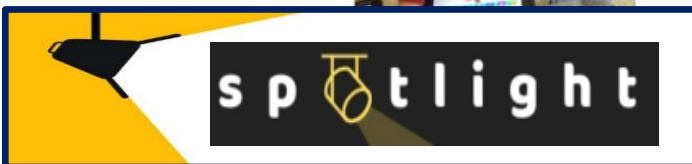

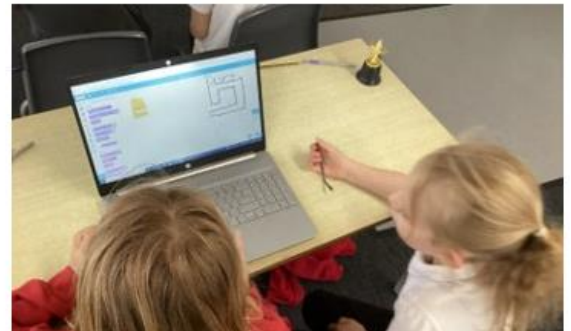

Then we themed our backdrop and Sprite.

Next we learnt how to make our Sprites move. We even made dance routines up for them.

We had our first try at creating a maze and moving our characters through it using algorithms. Afterwards, we decided to create a plan as we thought this would help with putting our ideas together.

Year 3 – Computing

Next we learnt how to make our Sprites move. We even made dance routines up for them.

We had our first try at creating a maze and moving our characters through it using algorithms. Afterwards, we decided to create a plan as we thought this would help with putting our ideas together.

Our plans worked really well and we created fantastic mazes. We thought really carefully about which motion and event blocks we would need to use to make our Sprites go through the maze. Sometimes it didn't work and we would have to debug our algorithms.

Oxford Playhouse Offer!

OP
OXFORD
PLAYHOUSE

Michael Rosen's
Unexpected Twist
Free tickets

Use code **TWISTFREE** at checkout*

A smash-hit new musical inspired by the Charles Dickens classic, *Oliver Twist*!

The poster features a red background with a central circular image of four young women in costumes. The text is arranged in a circular pattern around the image.

FREE TICKETS

Oxford Playhouse have kindly given us access to **8 free tickets per family** for their production of Michael Rosen's 'Unexpected Twist', it runs from:

30 May – 3rd June.

4	<i>Equality</i>	Jason	For considered responses in RE when writing guidelines for life based on Buddhist teachings
5	<i>Equality</i>	Jayden & Emily I	Both have contributed well to discussions about equality, especially regarding the Windrush
6	<i>Respect</i>	Rebeka	For consistently demonstrating respectful behaviours by being a positive presence in the classroom and always offering to help others around her
6	<i>Aspiration</i>	Kaden	For always going the extra mile with his learning, particularly in Maths where he has used bar models carefully to help him solve multi-step problems with a very positive attitude

This Week's Attendance Heroes

Reception	94%
Year 1	85%
Year 2	91%
Year 3	89%
Year 4	81%
Year 5	91%
Year 6	98%

There is a clear link between attendance and school attainment.

Reduced attendance affects a child's chances of success at school and beyond.

Please help us in ensuring your child comes to school every day.

Holidays should only be taken during the allocated holiday dates.

Gates open at 08:40 and registration for all year groups is at 08:45 each day. Any child late for school will need to enter school via the main office.

P.E Days for each year group are as follows:

Year 1	Tuesday	Thursday
Year 2	Tuesday	Thursday
Year 3	Tuesday	Friday
Year 4	Tuesday	Wednesday Swimming
Year 5	Monday	Thursday
Year 6	Monday	Thursday

Key Dates until half term:

Thursday 25th May – Oxford Science trip Years 1,2 and 3
