Friday 23RD June

Y1 – History - Transport

Year 1 held a mini car rally on Thursday 22nd June followed by a visit to the Real Mini Company in Berinsfield on Friday 23rd June.

Year 1 have been learning about the history of transport and so Miss Walker thought a look at how cars have changed would help the children understand this better. The children have learned how the materials used to make cars have changed and with that the shape of cars, especially their headlights. We have noticed that modern cars have a lot of plastic in them. We also noticed that cars haven't always had seat belts and that some cars had a wooden chassis.
