

# AWA NEWS

Friday 7th July

This term in Reception, the children have been learning all about 'Changes!' We have been learning all about how animals, plants and humans grow and change. The children were super excited to watch our chicks hatch from its egg! The children also enjoyed watching our frogspawn turning into tiny froglets and we have had our very own caterpillars that turned into beautiful butterflies! The children have been busy learning about the life-cycle of chicks, frogs, butterflies and sunflowers. The children have been doing observational drawing of sunflowers and planting their own sunflower seeds. We are currently learning about minibeasts and bugs, creating cosy bug hotels for them and making fun fact-files about different minibeasts!

## This Week's Attendance Heroes

There is a clear link between attendance and school attainment.

Reduced attendance affects a child's chances of success at school and beyond.

Please help us in ensuring your child comes to school every day.

Holidays should only be taken during the allocated holiday dates.

Gates open at 08:40 and registration for all year groups is at 08:45 each day. Any child late for school will need to enter school via the main office.

## P.E Days for each year group are as follows:

|        |         |                    |
|--------|---------|--------------------|
| Year 1 | Tuesday | Thursday           |
